RE: February 2014 Monthly Report

During the month of February, the West Lafayette Police Department received **2,387 calls for service**, a decrease of 149 calls (6%) from January, and a decrease of 16 calls from February 2013.

WLPD staff assisted in the moving of city hall operations and personnel to several other locations in the city over the past couple of weeks. Deputy Chief Chris Leroux coordinated the city hall move. The move was complete by the close of business on Friday, February 28.

Proactive patrol work by Officer Adam Ferguson this past month led to the arrest of a suspect on A-felony methamphetamine charges. A routine traffic stop on the newly annexed US231 led to the discovery of meth and related paraphernalia resulting in the subsequent arrest. A TCSO Deputy and K9 assisted Ofc. Ferguson on the traffic stop.

Detective Adam Miller has been selected to fill the department's open K9 officer position. Detective Miller will close out his casework and begin his training with his new partner later this month. Tippecanoe County Prosecutor Pat Harrington graciously agreed to purchase a new K9 for the WLPD with funds from his office. The new K9 replaces Kay, a recently retired 11-year-old Belgian Shepherd Malinois.

Respectfully submitted,
